VACATION TIPS FOR STUDENTS

Summer Vacation is a welcome break..... Break from fixed schedule. rules and regulations of school, freedom bring more responsibility, keeping this in mind, we have planned most of the activities for you to keep you engaged positively and your energies well directed. Though teachers will not be physically present to keep a supervisory eye on you and your work but you dear parents are there to take care of your emotional, social, physical & academic needs.

We wish you a wonderful time ahead!

Good Habits and Good Manners are lifelong assets and should be practiced until they become a habit. Use these four magic words that are basics of good manners i.e. - **Please, Thankyou, Excuse me and Sorry.**

MANNERS:

At Home:

- Help to keep the house clean especially the areas you use. Clear the toys, books or crafts that remain after you have finished. Be responsible
- Be honest to all, speak politely.

At the dining table:

- Take small bites. Eat neatly, slowly with your mouth closed.
- Help to clear the table and clean up.

In the Park:

- Keep the Park clean. Littering makes the park untidy.
- Destroying the plants or plucking the flowers will spoil the beauty.

While shopping:

- Softly ask your parents for what you want. If refused, don't throw a tantrum.
- Be careful, don't touch any breakable item.
- Try to converse in English with everyone.

Hygiene:

- Take a bath daily. Brush your teeth twice a day, Trim your nails.
- Make friends having good habits who respect their elder and use good language.

**Come back well mannered with a promise that after all the fun you will be a good students of your class.
Have a happy and enjoyable vacation.**

TIPS FOR PARENTS

- Be your child's best friends and share your childhood memories.
- Have at least two meals together with your children. Teach them the importance and hard work of the farmers and ask them not to waste their food.
- Visit the grandparents and let your child make bounding with them. Their love and emotional support is very important for your child. Click snaps with them.
- Develop the instinct of CARE in your child for birds, animals and plants. In your house make some shelter water and grains for the birds to come in the open area of your house. Let your child enjoy these moments. Instead of buying expensive toys treat them with good story books which will improve their vocabulary and language.
- When your child tries to read newspaper or story book help him/her and discuss what he read.
- **Help your child to develop good habits and good manners which are life long assets and it must be practiced until they become a habit.**
