Al-Barkaat Educational Society

Al-Barkaat Educational Society, dedicated to the memory of renowned Persian-Hindi sufi poet Syed Shah Barkatullah of Karehwa, district Etah, came into being in 1995. The Al-Barkaat Educational Society derives inspiration from the life and the teachings of a galaxy of illustrious Sufis of Khanga-e-Barkaatia, Karehwa Sharif (Etah, U.P.). It owes its inception to the profound vision of the Great Sufi Hazrat Syed Shah Mustafa Haider Hasan Muzan Qadri, father of the Founder and the President of A.B.E.S Professor Syed Shah Muhammad Amin, the present Sajjadah Nashin of Khanga-e-Barkaatia,, and the President of Dargah Syed Shah Barkatullah Committee. He is the moving spirit and the light behind this noble project in establishing various educational institutions in India.

Al-Barkaat Public School

Al-Barkaat Public School is situated on Anoopshahr Road, approximately 5 Km. from Aligarh Railway Station. Spread on more than two acres of lush green, eco-friendly environment, Al-Barkaat Public School's campus is divided into four wings, the Pre-Primary Section exclusively for tiny tots, the Junior Section, the Senior Secondary Section (boys), a section for girls i.e the Qadiria Girls Section providing education to the girls from class VI to XII in a separate and independent environment. The School has a cumulative strength of more than 2500 students. Being affiliated to CBSE, it follows CCE (Continuous and Comprehensive Evaluation) in the true letter & spirit. The School aims at imparting modern Scientific Education along with the teaching of Islamic values to children. Al-Barkaat Public School provides the best facilities to its students with the most affordable fee structure in the region.

Influential Citizens and Leaders

Students experience democratic process and develop effective problem solving strategies through participation in Peer Support Programmes. The school favours multi-ethnic character by strictly promoting secularism. The teachers and students work together as a team. Students here are encouraged to discuss issues and make their own decisions as individuals as well as members of a group. We focus on overall personality development of the child.

Committed Strong Foundation in Literacy

Al-Barkaat's commitment towards literacy has always been strong. Our highly qualified and experienced staff is upto date on current teaching practices such as accelerated literacy. We strongly value the role of parents and guardians in developing and improving literacy. Regular literary activities and events are organized to provide added exposure to students helping keep them updated with the changing trends in the literary world. A trained teaching staff and quality inducing programs are available to assist the students experiencing learning difficulties. Being a pioneering school community we support the idea of lifelong learning. We constantly strive to ensure that school remains at the cutting age. At Al-Barkaat, we organize regular workshops for teachers to improve

and update their teaching methodologies.

Safe And Gracious Environment:

A sturdy rapport with the management, faculty, parents and students provides for the establishment of a safe and harmonious school environment. For us the welfare of our students and their families is paramount. We are steadfast to the progress of students who display responsibility for their own behavior.

Enriched curriculum supported by state of art infrastructure and technologies:

Al-Barkaath Public School is equipped with up-to-date facilities such as enriched science labs, libraries, an English language lab & computer labs.

Library: There is a well equipped library in every building. The enriched libraries provide extra reading and literacy skills to help children enhance their comprehensive and vocabulary skills.

Computer Lab: Well designed computer labs in every section with internet facility to aid the teaching learning process is a major feature of the school.

Science Lab: To retain and understand concepts better fully equipped Physics, Chemistry and Biology labs are present in every section.

Language Lab: A language lab designed for school children to compliment the school curriculum is set up in Al-Barkaath Public School. This helps children speak and pronounce English properly which is the need of the hour.

Tarbiyat Classes: Al-Barkaath also focuses on value inculcation and Islamic education. To achieve this, trained and qualified teachers groom the children to imbibe qualities of good conduct, self confidence and high values to earn a significant place in this world and the hereafter.

Discipline: Discipline significantly impacts career shaping and helps build character. Sincerity, good endeavors, and values develop strength and foster unity and cooperation in the students. In Al-Barkaath Public School we are firm about discipline in all regards. Continuous long absence, unruly behavior traits detrimental to oneself or to other students, non payment of fees, persistent negligence of school programmes by the students or disrespect to teaching or non teaching staff by parents or guardians could amount to immediate termination of your ward.

Parents As Partners In Learning:

The influence of home and school on the development of a child cannot be overruled. We believe that a partnership between parents and school is vital when common goals are to be achieved. We expect support from the parents in the following ways.

- Regularity and punctuality of your wards to school.
- Cooperation with the school in the learning process and inculcation of values in your ward.
- Attending Parents Teacher meeting regularly to know your ward's performance.

Personality Development And Physical Education:

There are opportunities to participate in regional inter-school and state events. Sports and Games hold an integral places in our school curriculum. We are one of the leading schools in Aligarh who constantly win in interschool and even in at the state level in Hockey, Football, Cricket and Volley ball. Girls also are given equal opportunity to learn different games and have been winners in interschool competitions too. Competent and expert coaches train the students in the school and in the boarding houses in the evening to hone their skills.

Boarding Facilities:

Al-Barkaat Public School, on its campus, has hostel facility (separate for Boys and Girls). There are two separate hostels for boys. For junior classes dormitories and triple seated rooms and for the students of senior classes, double and triple seated rooms are provided.

I) Al-Barkaat Pem Prakash Hostel:

Pem Prakash (Light of love) is the title of Syed Shah Barkatullah's collection of Hindi poetry. This hostel is for students of junior classes i.e. for classes VI to IX.

ii) Al-Barkaat Gama Bhai Hostel:

This hostel is dedicated to the memory of Late Prof. Akhter Zaheer Rizvi (alias Gama Bhai) founder member of Al-Barkaat Educational Society. This hostel is for senior classes i.e. for classes X to XII.

iii) Al-Barkaat Mehboob Fatima Girls Hostel:

This hostel is dedicated to the loving mother of President of the Society. This hostel is thoroughly endowed with all amenities required for academic and residential purpose.

The hostel facility is a home away from home with the best boarding in the region with air cooled hostels, uninterrupted power supply backup and parent like guardians to create a home like atmosphere. Trained competent staff members have been assigned to make sure that everything runs smoothly and the welfare of the students is taken care of. To ensure the safety of the students, the campus is well guarded by the best security personnel and is under 24 hours of CCTV surveillance. A Grand Mosque, Dining Hall and Fitness Centre are just walking distance from the hostel. Hospital facility with residential doctors (Separate for boys and girls) is available round the clock for the boarders. The school is grooming boarders through Islamic Tarbiyat and value education on a regular basis. Ample facilities of games and sports with well trained coaches are provided here.
