Holiday Homework

CLASS-IV

IT'S TIME FOR A SUMMER HOLIDAY!

WISHING YOU A BRIGHT AND JOYFUL SUMMER HOLIDAY! MAY
YOUR DAYS BE FILLED WITH SUNSHINE, LAUGHTER, AND
WELL-DESERVED RELAXATION. ENJOY EVERY MOMENT!

CREATE, IMAGINE, DISCOVER

Dear Parents and Students,

- ✿ Write in neat and legible handwriting. Presentation matters – your hard work should be easy to read and pleasing to the eyes.
- ✿ Decorate your work beautifully. Use borders, headings, and light colors to make your pages attractive. Keep it neat and avoid over-decorating.
- ✿ Show your creativity. You may include drawings, stickers, or charts related to the topic. Make it uniquely yours!
- ✿ Seek guidance from your parents, especially when you're stuck or unsure. Their suggestions can help you think better.
- ✿ Do the work independently. It's okay to make mistakes – what matters is that the effort is your own.
- ✿ Revise what you've done. Check for spelling, punctuation, and neatness before submitting.
- ✿ Complete your work regularly. Don't wait for the last week – a little every day makes it fun and stress-free!

☀ Hello Super Students! ☀

As the holiday season approaches, it's time to sprinkle a little magic into your holiday homework!

Think of this as your chance to explore, create, and let your imagination run wild. Whether it's crafting a story, designing a project, or diving into a new book, make it fun and exciting! Remember, the goal is to learn and enjoy.

Create a working model showcasing the different parts of speech. Be creative! Use visual aids, diagrams, or interactive elements to illustrate.

We are thrilled to announce that your hard work, creativity, and innovation will be on full display at the upcoming School Exhibition! This is your moment to shine and proudly present your model to parents, teachers, and fellow students.

Your model is not just a project—it's a reflection of your imagination, effort, and understanding. Be confident, be clear, and most importantly, enjoy the experience of sharing your ideas with others. Let your model speak for your passion, and let your voice represent the future!

Topics for the models are as follows:

- **Roll.no. 1 to 10 – Abstract Nouns**
- **Roll.no. 11 to 20 – Collective Nouns**
- **Roll.no. 21 to 30 – Countable and Uncountable Nouns**
- **Roll.no. 31 to 40 – Punctuation Marks**
- **Roll.no. 41 to 50 – Adjectives**

Points to remember

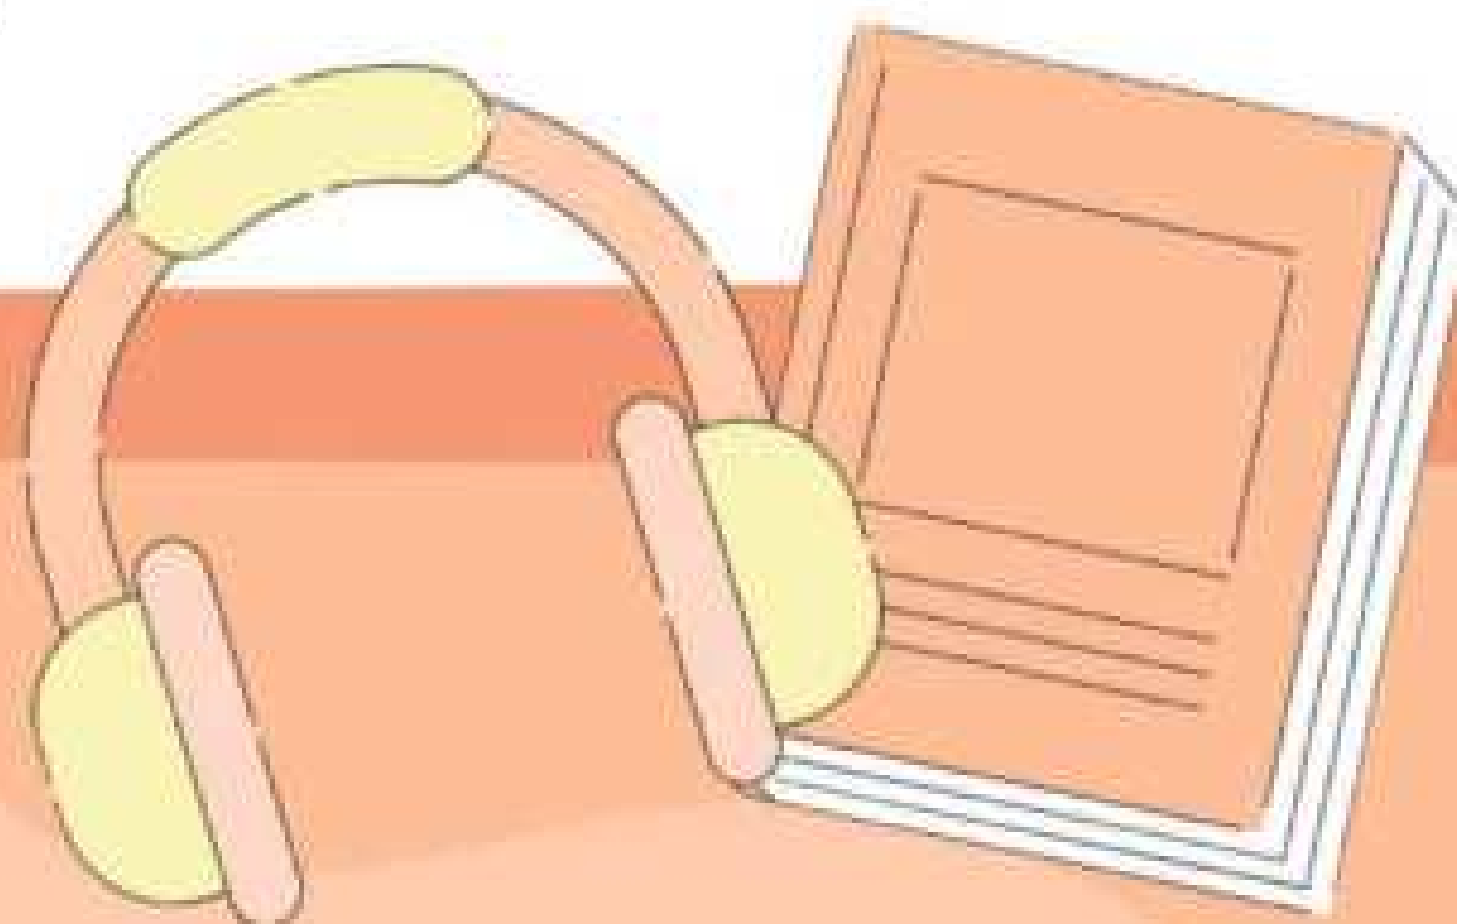

- 1. Project/Model and Homework Submission:** The project or model will be submitted on 21st of July. (No extension will be given)
- 2. Reference Video:** A video will be shared with you all to guide for the project or assignment.
- 3. Marks Allocation:** Marks will be allocated when students submit their model. The best models will be displayed in the English exhibition.
- 4. Prize for Best Holiday Homework:** The best English model will be awarded a prize.
- 5. Vocabulary Words:** Students are expected to learn vocabulary words, possibly with the requirement to write them twice in their scrapbook.

🌸 Activity in Scrapbook 🌸

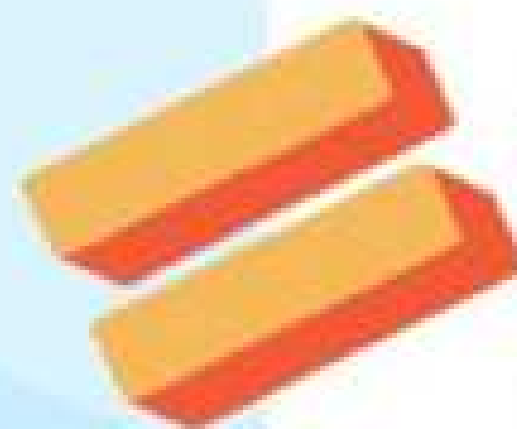

My Vacation Calendar

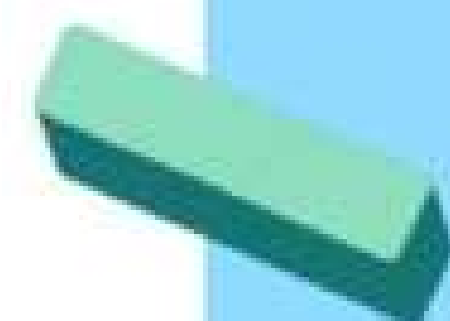

Create a calendar for your vacation period.

Mark each day with 1 math-related activity you did (like baking in minutes, travelling km, watering plants, etc.)

Count weekends, number of days, weeks, even and odd dates, etc.

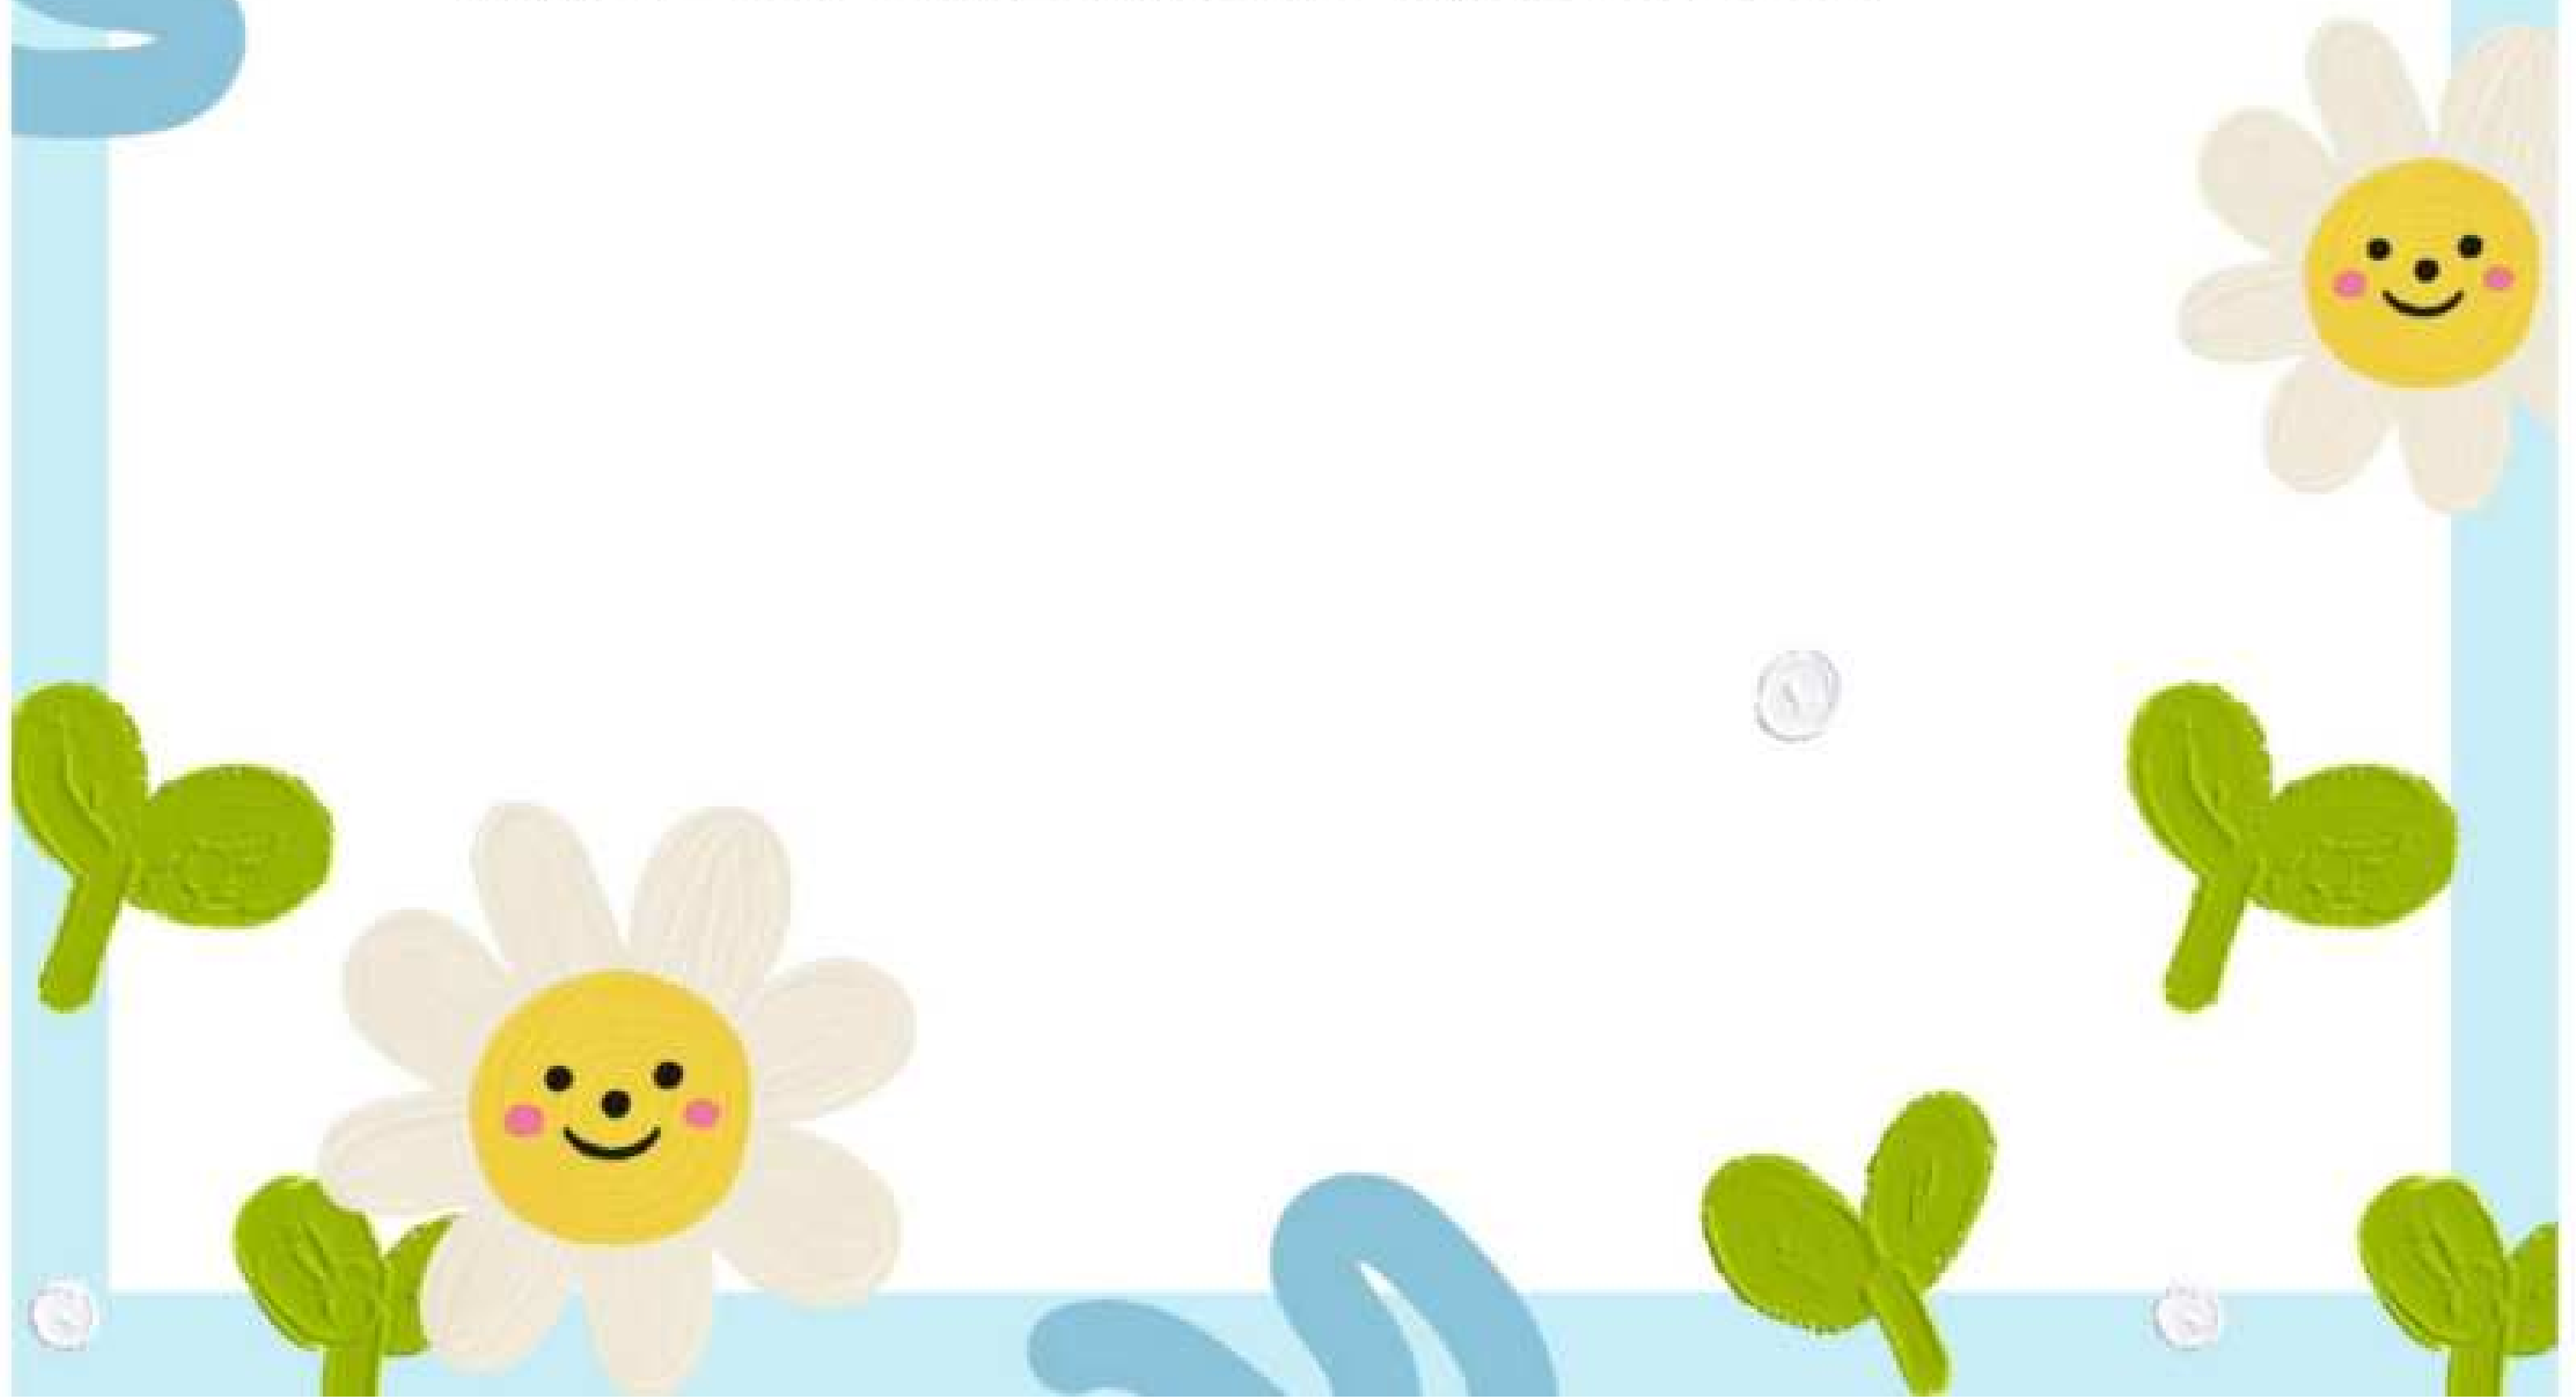

2- Practice exercises of Chapter 1(A Trip to Bhopal).

Paste any four Pulses and four Spices in your Scrapbook and also mention their names.

SOCIAL STUDIES

You have to do both the Activities.

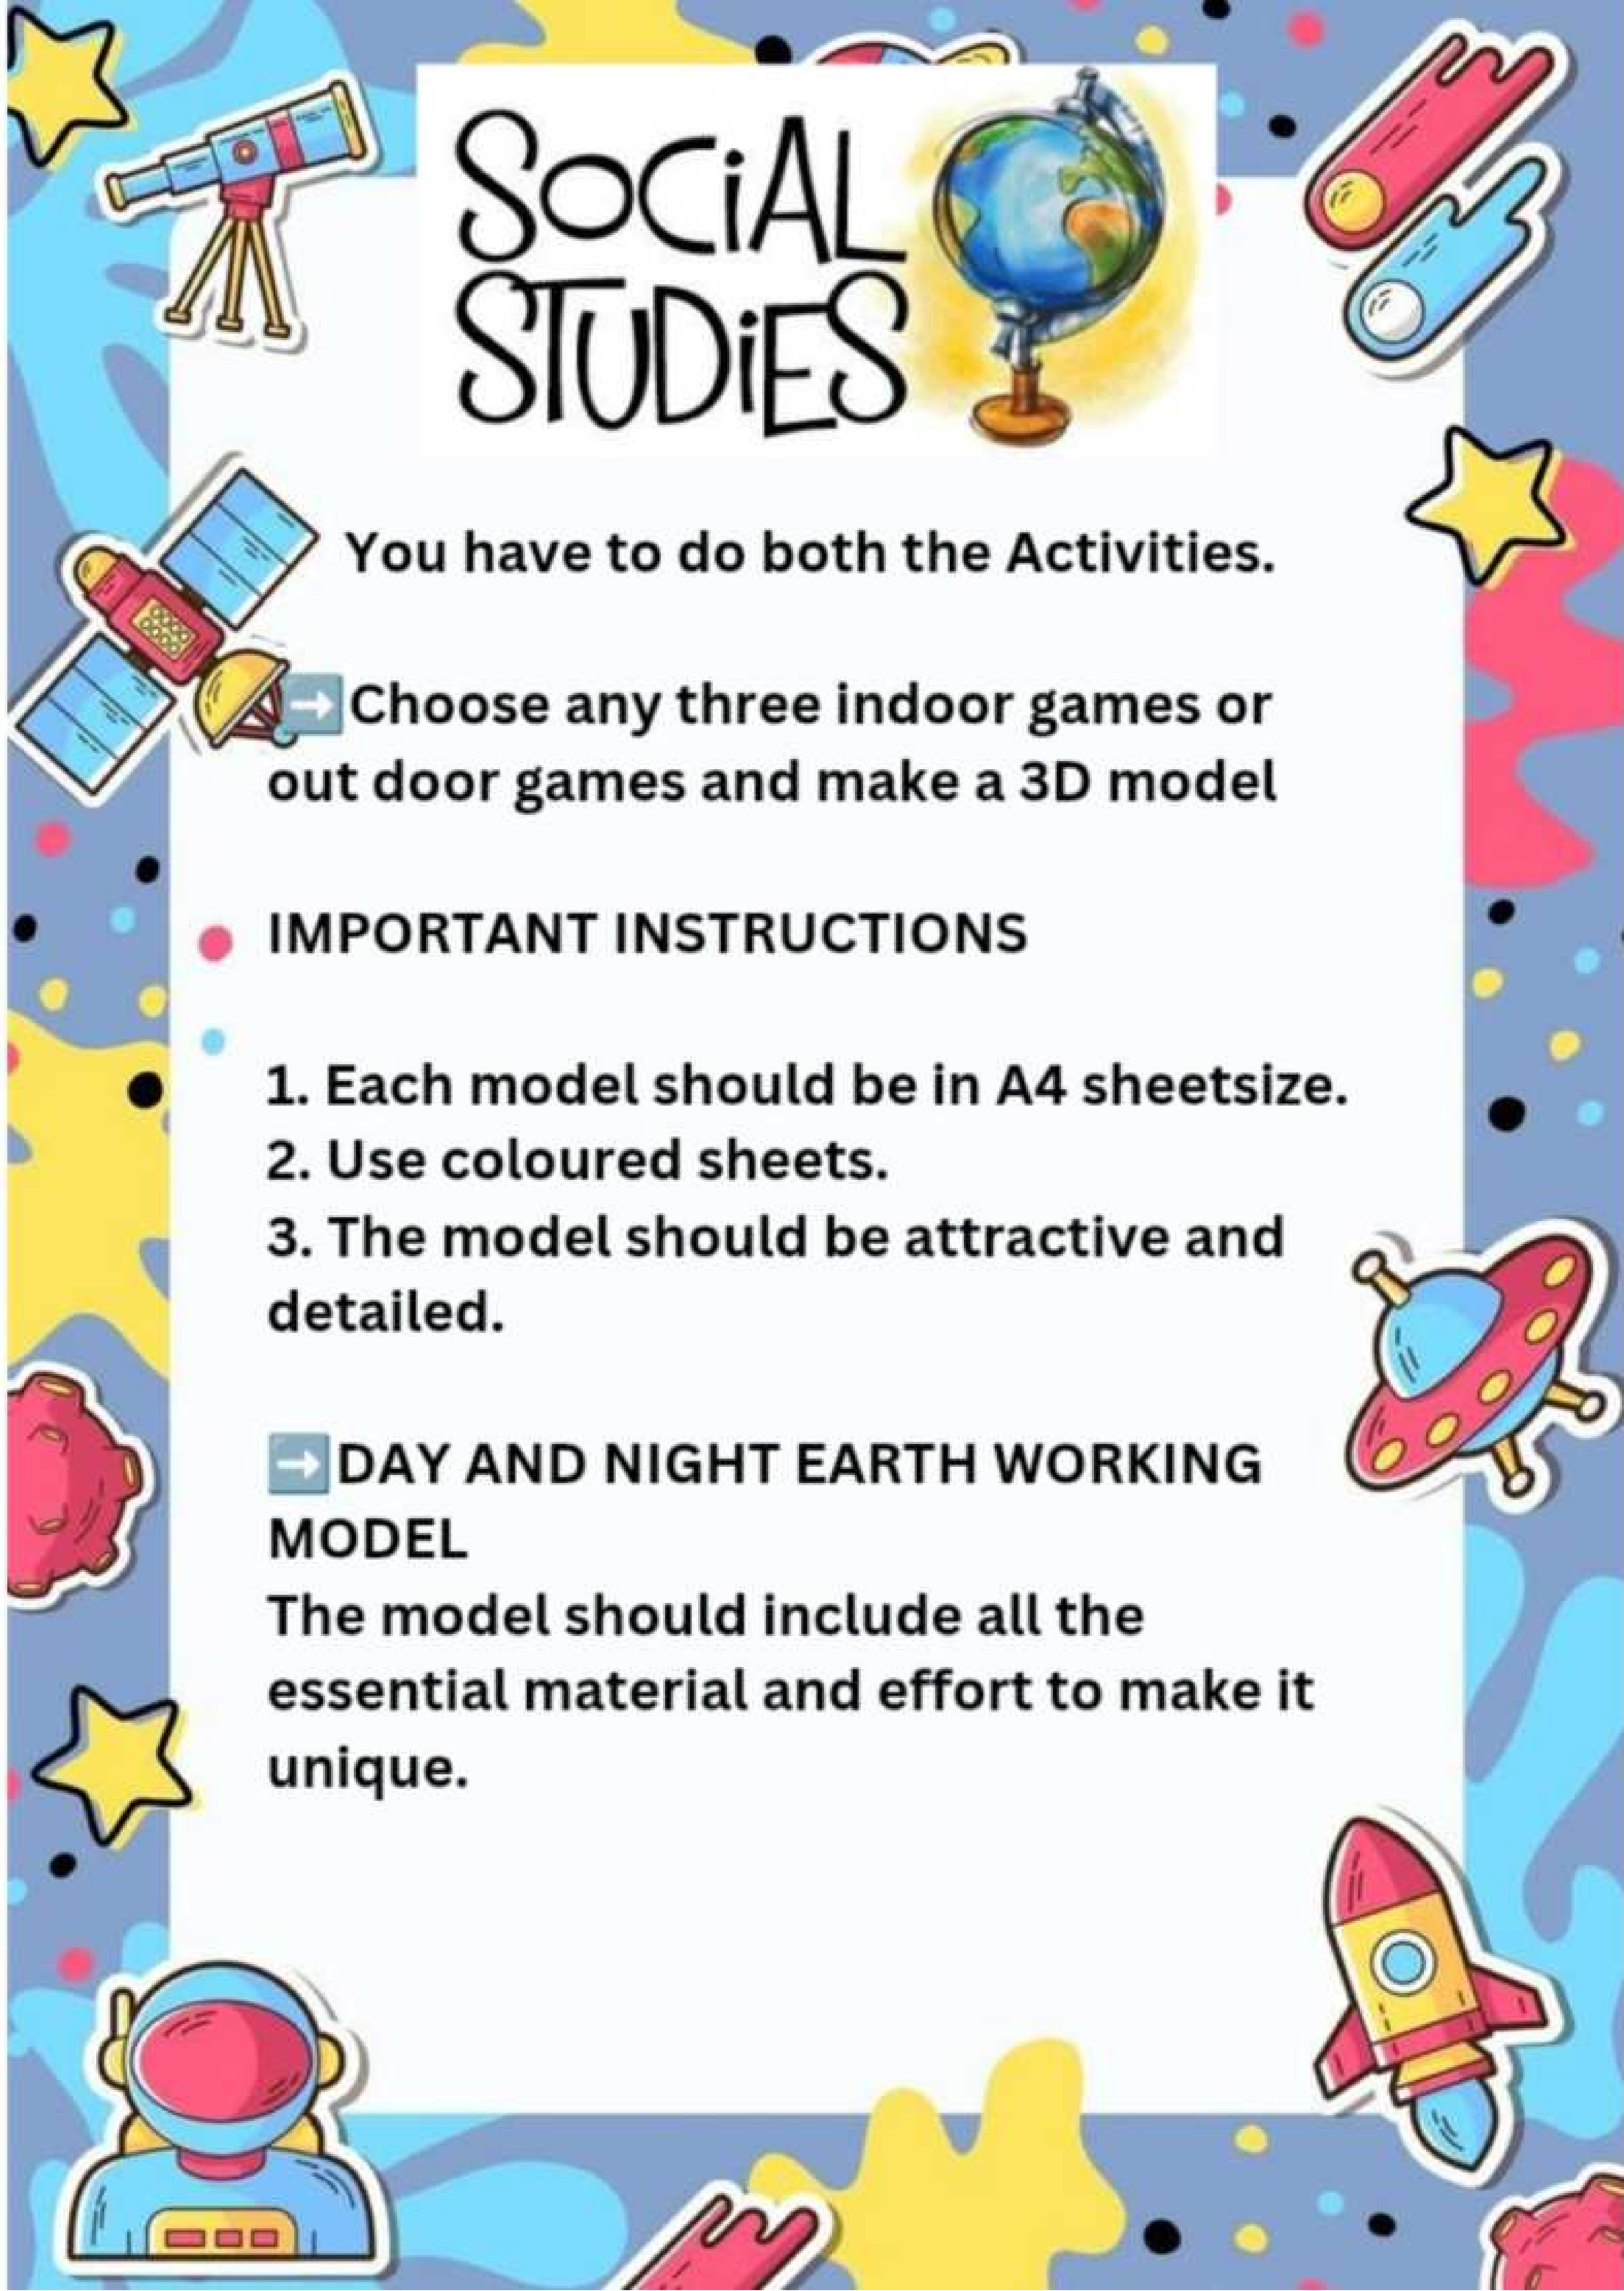

→ Choose any three indoor games or out door games and make a 3D model

IMPORTANT INSTRUCTIONS

1. Each model should be in A4 sheetsize.
2. Use coloured sheets.
3. The model should be attractive and detailed.

→ DAY AND NIGHT EARTH WORKING MODEL

The model should include all the essential material and effort to make it unique.
