✿ Activity ✿

Draw a Place Value Chart up to Ten-Thousand on a white A4 sheet

Practice exercises of Chapter 1 in rough notebook
(what's in a name ?)*

The page is framed by various scientific and biological illustrations. On the left, there is a red anatomical diagram of a heart, a green Erlenmeyer flask containing blue liquid, a green plant branch, a small green box with a blue circle, and the chemical formula H_2O in large blue letters. At the bottom left are several test tubes with colored liquids. On the right, there is a yellow periodic table element card for Carbon (C, 12.011), a green plant in a brown pot, a DNA double helix structure, a bee, and a blue microscope. At the bottom right is a round-bottom flask with orange liquid. In the center, a large rounded rectangle contains the word 'Science' in blue text.

SOCIAL STUDIES

YOU HAVE TO DO BOTH
THE PROJECT

TOPIC 1

👉 Make a simple 3D model of any one type of house (like an igloo using cotton, or a hut using matchsticks, etc.)

Also, come prepared with some lines on it.

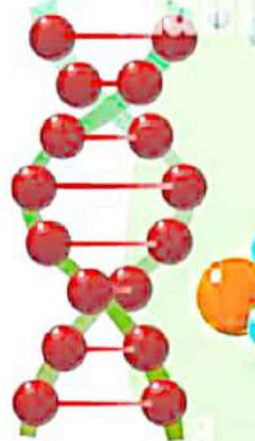

Topic 2

☀️ Create a colorful model or drawing of the solar system.

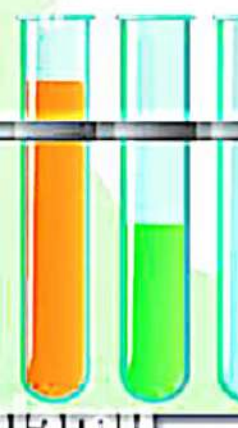

☀️ Label all 8 planets and highlight Earth.

Note: Make sure to prepare 4-5 lines about it as well, so that you can give a short presentation in class explaining your topics.

☀ Hello Super Students! ☀

As the holiday season approaches, it's time to sprinkle a little magic into your holiday homework! 🎨 ✨

Think of this as your chance to explore, create, and let your imagination run wild. Whether it's crafting a story, designing a project, or diving into a new book, make it fun and exciting!

Remember, the goal is to learn and enjoy. 😊 😊

"Create a working model showcasing the different parts of speech. Be creative! Use visual aids, diagrams, or interactive elements to illustrate.

We are thrilled to announce that your hard work, creativity, and innovation will be on full display at the upcoming School Exhibition! This is your moment to shine and proudly present your model to parents, teachers, and fellow students.

Your model is not just a project—
it's a reflection of your imagination,
effort, and understanding. Be
confident, be clear, and most
importantly, enjoy the experience of
sharing your ideas with others.

Let your model speak for your passion,
and let your voice represent the future!

Topics for the models are as follows:-

- Roll.no. 1 to 10 - Gender.
- Roll.no. 11 to 20 - Pronouns.
- Roll.no. 21 to 30 - Prepositions.
- Roll.no. 31 to 40 - Irregular Plural.
- Roll.no. 41 to 50 - Question Words.

Points to remember

1. Project/Model and Homework Submission:
The project or model will be submitted on
19th of July. (No extension will be given)
2. Reference Video: A video will be shared with
you all to guide for the project or assignment.
3. Marks Allocation: Marks will be allocated
when students submit their model. The best
models will be displayed in English exhibition.
4. Prize for Best Holiday Homework: The best
English model will be awarded a prize.
5. Vocabulary Words: Students are expected to
learn vocabulary words, possibly with the
requirement to write them twice in their
scrapbook.
